

Name: _____

Date: _____

Use the table below to record information as other groups present their podcasts. Our goal as a class is to identify what characteristics the exoplanets have that could support life and if we think life could be out there.

Exhibition: Sharing your podcast with/listening to others		
Exoplanet	Do you think there could be life on this planet? If so, what do you think this life would be like?	What evidence do you have to support this claim?
